A £50,000 love affair

Jessica Hayes & Max Morley, Jonathan Clark and Hannah Elizabeth

After six weeks of fun in the sun, ITV2's Love Island has sadly come to an end. But the raunchy show actually did manage to find some genuine love along the way! When couple Jess and Max, both 22, were announced as the winners by host Caroline Flack, the pair quickly had to choose between love or money. After both choosing love, they got to walk away with the £50,000 cash prize.

Although the professional cricketer and glamour model (a match made in heaven?) got the most amount of public votes, it wasn't all smooth sailing during their stay on the Spanish island. In one dramatic episode, Max ditched her to 'couple up' with her rival Naomi Bell, who told *Now* she thinks if she hadn't been voted off she'd still be with Max!

The runners-up, builder Jonathan and model Hannah, both 25, got engaged! Another series, please.

Justin Bieber & Selena Gomez

Justin, 21, has been spotted getting close to Selena, 22. Again. Could they be heading for their 287,282nd romantic reunion?

Danielle Lloyd & Tom Jimson

More bad news for Danielle, 31. Her property developer ex Tom, 23, has reportedly been 'arrested over an alleged £100,000 sting' in Dubai.

Hopping up

Matt Bellamy & Elle Evans

It seems musician Matt, 37, has a new Muse in US actress Elle, 25 – who looks a lot like his former fiancée Kate Hudson.

Sienna Miller & Tom Sturridge

Sienna, 33, has reportedly called it quits with fiancé Tom, 29, after four years. The pair have a daughter Marlowe, two.

Royal wedding

Nicky Hilton & James Rothschild

Swapping The Hilton for Kensington Palace, 31-year-old hotel heiress Nicky married British banking heir James, 29, in quite possibly the most extravagant wedding of the summer. Fortunately, her big sister Paris was there to Instagram every detail, including the 250-strong guest list that included Greek royalty – and actress aunt Kim Richards, who allegedly left rehab in the middle of the night in order to attend. We've never known someone to take an RVSP so seriously!

Wayne shoots... and scores!

Wayne Rooney & Coleen Rooney

It seems Manchester United footballer Wayne has scored a hat-trick. Coleen has announced that she's pregnant with the couple's third child, who's due in January. The pair, both 29, wed in 2008 and already have two boys – Kai, five, and Klay, two. Could a little girl be next?

Calum Best & Ianthe Rose Cochrane-Stack

CBB star Calum, 34, has split from model Ianthe, 24. The pair, who recently reconciled after a previous break-up, have decided to end things for good. Calum Tweeted: 'Single man, I wish Ianthe nothing but health and happiness. Amazing times shared but came to an end. Onwards and upwards. Much love.'

LEWIS BLOOR, 24

TOWIE star Lewis has been off the booze and hitting the gym hard for several weeks – and we're really liking the results! The hunky Essex boy is so ripped these days he needs to rename himself Lewis Phwoarr.

KATIE & REVEAL TOX

Shocking revelations of their 'horrific' split, plus cheating claims and sex slurs

Just days after marrying Emily in a dream wedding, Peter Andre had to cancel his honeymoon to give evidence in a court case that's opened up all the old wounds from his first marriage to Katie Price.

Not only did the shocking court case expose the toxic breakdown of the couple's relationship, culminating in their split in May 2009, but Peter was forced to relive outrageous and unfounded allegations of sexual misconduct, too.

So what happened? Peter, 42, was called as a witness in a high court case between his former TV producer Neville Hendricks and ITV2. But it was the details around the breakdown of Katie and Peter's marriage that sent the world of showbiz reeling.

In Neville's evidence, he suggested Pete had planned to expose Katie, 37, as a 'love cheat' to cause her 'distress' as well as boosting his profile. Neville claims at one stage his former partner Claire Powell 'obtained a phone that belonged to the man Peter suspected' but it did 'not contain the evidence she thought'.

But Pete denied he and Claire had a conspiracy to paint Katie as a 'complete bitch' after they split. He claimed: 'That's not correct at all. She knew what was happening and she knew what I was going through. I left for a lawful reason,

'KATIE

PETER COURT CASE S CLAIMS OF THEIR

KID LOVE

and I won't accept that Claire made the plan to make me look good and Katie look bad.'

The court also heard Peter was left distraught by malicious claims on Twitter, which appeared to be supported by Neville, that he had paid women for sex. He added: 'Rather than defending me (or ignoring them), Neville chose to join in with them.' Neville denies this, claiming he only endorsed information about Peter's manager Claire.

Pete's relationship with Neville continued to suffer. He claimed: 'I'd just gone through a horrific divorce and, at the start, Neville was there with me and saw what I was going through. Now I'm having a problem with the very person who was supporting me, so I was completely upset about what was going on around us.'

Speaking about the break-up of his marriage, Pete said: 'It was on the front of the newspapers. All the children were with me.

Harvey was with me. Harvey is Katie's son and I call him my own. She then went on Piers Morgan Life Stories and spoke about why we broke up. I thought it was horrific. I'd never mentioned why I left and what had happened. I was in a mess.'

Neville also alleged Peter found Katie's disabled son, Harvey, 13, 'difficult to be with and be around.' He said he persuaded Peter to write the song Unconditional about Harvey to show they were bonding. Pete denied the allegations.

Neville, who was in a relationship with Claire from 2004-2010, is seeking £549,060 for damages and costs from

ITV2 after it cancelled his show in August 2011. But the channel says he was in breach of contract and is

claiming £261,951.

While Pete was dealing with the accusations in court, Katie concentrated on family life, posting pics of her cuddling up to her daughter Bunny, 11 months. She posted a pic of her jam-packed fridge saying: 'Nice and full.'

The court case with Neville continues, but may be a warm-up for the ongoing legal battle between Katie and Peter. The pair will go head-to-head in court on 25 January 2016 and it's expected to last around 10 days.

Katie's seeking damages from her former manager Claire, who still represents

Pete, alleging they misused private information about her. She's also seeking an injunction after launching a £250k legal battle against the pair in September 2012.

Among the statements are accusations that Claire leaked private details about Katie to the press after she left her management company. Claire and Peter have both denied the claims – and allege Katie used her private life for commercial gain. Katie paid £200,000 to the court in April to continue her claim.

Katie's wedding wish to Emily

Katie Price 'shocked' ex-husband Peter Andre and his new wife Emily MacDonagh by raising a glass to them and wishing them the 'best of luck' in their life together. They married last weekend at Mamhead House in Devon in front of 150 close friends.

A source said: 'Katie had already given her blessing when they got engaged but she wished Emily 'the best of luck' ahead of their big day.'

'While Katie doesn't speak to Pete at all now, she has a cordial relationship with Emily as they deal with childcare arrangements.'

While Pete was tying the knot surrounded by his children with Katie, 10-year-old Junior and Princess, eight as well as Pete and Emily's 18-month-old daughter Amelia, Katie was on a photoshoot before heading to an alfresco lunch with her third husband Kieran Hayler, 28.

1D's Louis's baby shock

IS A WEDDING NEXT?

Her baby news may have broken the hearts of millions of One Direction fans. But Briana Jungwirth and Louis Tomlinson, both 23, who've been seen together several times since he split up with his ex Eleanor Calder just four months ago, are said to be 'happy and excited' about their new arrival. And Now can reveal that Briana's strictly religious family are very keen for the expecting pair to get married.

The American stylist – thought to be 11 weeks pregnant – has met Louis's family and he's said he's keen to be a 'hands-on dad'. The star even flew his mum Johanna and stepdad Dan Deakin to the USA to meet the Californian beauty in July and Briana's family could be pushing for the soon-to-be parents to become a proper family in the eyes of the Lord.

Now has seen Briana's religious mother Tammi's Twitter page and she's been looking

online at wedding venues and luxury boutiques that specialise in bespoke dresses and flowers. Briana's grandma Ruth recently shared on Facebook: 'A good man will help you financially, keep your home safe and love you the way you are.'

The parents-to-be aren't thought to still be romantically involved but are 'very good friends'. Unlike Louis's best friend Oli Wright, 23, who Now can reveal in a shock twist, is an

item with Briana's cousin Ashley Clark, 21.

Oli, who tours the world with Louis, first met Ashley after Briana introduced them on a night out. The

Doncaster-based lad even joined both families as they celebrated Independence Day together.

Although Bri's all-American family have put on a wholesome front, an inactive blog uncovered by Now from formerly troubled teen Ashley reveals all kinds of secrets. 'I can't tell people *not* to do drugs... people told me not to and I ignored them,' wrote Ashley aged just 18. 'I had a relapse, but I got clean again and haven't quite felt emotions as most normal people do.' When an anonymous reader asked: 'do u know about the sex tape of you on the internet???' Ashley replied: 'Yeah, it's pretty dope.'

Hmm... Guess it's always good to know what type of family you're getting into...

It doesn't seem to matter what body type female celebrities have, every picture of them is pored over by 'fans' and they are being criticised for how they look. Earlier this month, Cheryl Fernandez-Versini blasted online trolls who branded her a 'bag of bones' saying 'I'm so f***ing sick of people thinking it's OK to body shame anyone.' Now investigates the rise of the celebrity body-shamer and how the celebs are hitting back...

KENDALL JENNER

'Being called too skinny is not a nice feeling'

Darling of the fashion industry, Kendall has been blasted by fellow models as being 'too fat for runway' and 'needs to lose 10lb'. But the 19-year-old, who's 5ft 10in and weighs 8st, has to take abuse for being too thin too. Twitter user Amanda

Fazzio said: 'Kendall Jenner is skinny as hell... She needs to have a couple plates of rice and beans.' Kendall said in an interview: 'Calling someone too skinny is the same as calling someone too fat, it is not a nice feeling.'

SERENA WILLIAMS

'It's hard being in a society where people are really thin'

Rather than focusing on her Wimbledon win, Serena's body shape was news instead. One Twitter account was shut down for implying her tennis triumph was only because she was 'built like a man'. The 33-year-old who's 11st and an athletic size 12, said: 'Being in a society where a lot of people are thin is hard. I had to learn how to embrace my curves.'

When singer Vanessa wore a size 4 bikini, haters said she needed a boob job! One said: 'Would have thought she'd buy some decent breasts.' The 7st 7lb star has dealt with abuse in the past, saying, 'People would spit at me in the street.' But she's hit back at criticism of her looks, especially her teeth, saying, 'Why would I fix them?'

**JOSIE

**'I'll have a
tummy tuck'**

She's lost 7st since 2012, when beach pics inspired her to transform her body, but 30-year-old Josie still isn't happy. The Big Brother star who weighs 10st 2lb and is a size 8, is planning a £10,000 tummy tuck to silence cruel Twitter trolls that branded her a 'fat bitch' online. 'I have excess skin I'll never be able to get rid of,' Josie tells Now. 'I've been to see a consultant about the tummy tuck.'

PINK 'I'm tough but I'm human'

Singer Pink was mocked online after she appeared on a red carpet in April looking bigger than before. The 35-year-old mother of one, who is 9st 4lb, Tweeted: 'I don't take well to bullying. I'm not a person that will be bullied. I am a girl, I have feelings and people think I take no shit and I'm tough but I'm a human'

CHLOE MADELEY

'I don't care if I don't look ladylike'

Fitness fanatic Chloe Madeley has overhauled her body. The 28-year-old got hooked on weights through her personal trainer ex three years ago, and has since trained as a PT. But Chloe worries she's not 'lean' enough. And attention from trolls has only made this worse, with one posting: 'Girls should have curves, not be ripped.'

But Chloe, who's 9st and a size 8, silenced her Instagram critics, posting: 'I 3 muscle and I don't care if it's not ladylike. #SuckIt.'

Amanda Hills, psychologist and body image expert

says: 'There is a trend towards complete fixation on appearance and the outward perfecting of the body, within the general population. Because people are focusing on themselves more, they then put more emphasis on those in the public eye. Ten years ago there weren't as many boob jobs, lip implants or bottom implants. I think it's risen with the rise of the selfie which is becoming a real addiction. It's usually found in people that don't feel that great about themselves – if you are comfortable in yourself you don't feel the need to focus on your outward appearance.'

SAM BAILEY

'People need to stand up to bullies'

Sam Bailey shed 2st while on The X Factor in 2013 but after giving birth to Miley last September, she's been dieting to lose weight again. The 38-year-old has shed 1st 7lb, dropping from a size 18 to size 14, and couldn't wait to go on holiday to Barbados. So it's no surprise the mother of three blasted a troll who said she looked like a 'beached whale'. Sam hit back with: 'Sometimes people need to stand up to BULLYS! Pick on sum1 else! TWAT!'

Marbs-ellous!

Natalie's colourful life

She may be living it up in Marbella, enjoying a glamorous lifestyle in the Spanish sun with hubby Paul and two daughters, but Now can exclusively reveal there's more than meets the eye to former glamour model, Natalie Richardson. The 32-year-old housewife, once known as Natalie Denning, has a racy past.

Natalie originally made a name for herself starring in TV series *Poor Little Rich Girls*, gaining fame through her kiss'n' tells on

the likes of Leonardo DiCaprio and Calum Best. And in 2004, she played a major part in the breakdown of Paul's three-year marriage to ex-Stringfellows lap dancer, Samantha Ramplin, 42.

Natalie met Paul at a modelling shoot almost 12 years ago, adding that it was 'love at second sight' for the pair. But their relationship left Sam heartbroken when Paul shackled up with Natalie.

It's not been all fun and games for the loved-up pair. In 2009, Paul was jailed for two years after he scammed the taxman out of £870,000 leaving Natalie homeless and alone.

It's not the first time Paul's been in trouble. Reports claim that during his time with Sam, police were called to the couple's marital home after 'allegations of domestic violence'.

As for Nat's star role in *Life On Marbs*, she tells Now: 'My husband doesn't want me on the show, but that makes me want to do it more!'

Courageous CAITLYN

Caitlyn Jenner got us all tearful last week when she made an emotional and powerful speech at the ESPY Awards in Los Angeles. The 65-year-old former Olympian received a standing ovation as she accepted her Arthur Ashe Courage Award for sharing her transition with the public.

Speaking about her family's support throughout her transition, she said: 'You guys have given so much back to me, you've given me so much support. I am so, so grateful to have all of you in my life. Thank you.'

As if being such a brave

and beautiful person wasn't enough, Caitlyn also showed us that she's quite the comedian as well, sharing with us what a struggle it is to get ready for a shindig.

'OK, girls, I get it. You've got to get the shoes, the hair, the make-up; it was exhausting. And the fashion police, please be kind on me. I'm new at this.'

You're already doing better than us, Caitlyn!

BABY SPICE'S HAPPY ENDING

Former Spice Girl Emma Bunton, 39, reveals her ups and downs before getting pregnant by partner Jade. 'At 25 I had a health scare and they told me it was 50/50 I'd be able to have children,' she recalls. 'It broke my heart.'

Happily she's mum of sons, Beau, seven and Tate, four, but the couple would love another child.

Sharing that her son said: 'Mum, when you kiss me at the school gates it's embarrassing,' it seems that even when your mum's been a Spice Girl, she's just as cringe as any other parent!

Kim K's pregnancy squats

We've been on baby bump watch since Kim Kardashian announced she was expecting her second child with hubby Kanye West, but there's been no sign... until now! Tweeting that her bump is 'about to pop', the 34-year-old star is doing everything to make sure she doesn't put on as much weight as she did with North. She even Tweeted what she'd done that morning: 'Just walked 3 miles and did 100 squats! Happy Monday! Blimey! We can hardly get out of bed on a Monday!'

Cricketer Shane looks unrecognisable from his sporting glory days. The 45-year-old Aussie, who has had hair transplants, recently showed off a taut complexion and plumped lips. Shane, who used to date actress Liz Hurley, 50, has denied having surgery, but instead attributed his new face to weight loss. He says: 'Everyone thinks I've had facial operations. I haven't had one thing. I went from 14st 5lb to 12st over the course of

Stress of split turns Kourtney GREY

Relationship breakdown takes its toll on the mother of three

It looks like splitting from Scott Disick is having an effect on Kourtney Kardashian. The reality star is usually coiffed to perfection, but was spotted with sprouting grey hairs as the reality of facing life as a single mother of three sets in.

Kourtney, 36, was seen heading towards the studio in LA as she filmed an episode of *Keeping Up With The Kardashians*. The couple split earlier this month after nine years together, when Scott, 32, was pictured looking very close to his ex girlfriend Chloe Bartoli, 25, on a recent holiday on the French Riviera.

Speaking about the couple's public split, momager Kris Jenner, 59, said: 'Kourtney's hanging in there.' Her half-sister Kylie, 17, added: 'She's actually doing great. We're sisters, we always stick together.'

Scott's hard partying has always been a bone of contention between the couple, but it was photos of him looking cosy with Chloe that prompted Kourtney to pack his bags and send his belongings to his bachelor pad in Beverly Hills on 9 July.

Scott and Kourtney had been together for nine years

She's told pals her priority is looking after their children Mason, five, Penelope, three, and Reign, seven months.

It was claimed Scott booked himself into rehab – which was meant to be near where he was staying with Chloe in Florida – on 5 July, but reportedly only spent a few hours there.

Gearing up for life as a single mum, Kourtney took Penelope to Disneyland to celebrate her third birthday. Scott was absent, but posted a message to his

daughter on Instagram, saying: '1 of the only things I'm proud off about myself. Happybdays.'

Wow! Get a load of George at 18!

The prince is going to be a heartbreaker

Two years ago, it felt as if the world stood still awaiting the arrival of Prince George at St Mary's Hospital, London, along with his parents Prince William and Kate, Duchess of Cambridge, both 33. But how time flies! Celebrating his birthday on 22 July, George hits the 'terrible twos', with his dad describing him as a 'little monkey'.

Looking unbelievably cute in his smart outfits and side parting

Everyone agrees he's a cutie now...

– and with a striking resemblance to his father at that age – we could certainly see what Prince William meant when George completely stole the show at sister Princess Charlotte's christening on 5 July.

But just imagine him at 18 – what a heartbreaker! Judging by this picture we've mocked up for your amusement, his chiselled jawline, big brown eyes and evenly proportioned features,

along with his well-styled mop of hair, will have women around the world falling at his feet. With genes like Kate's and Wills', we'd be very surprised if he didn't turn out to be a total hunk!

...and we reckon George will be even cuter in a few years' time!

Wills is back at work – with a Kate lookalike!

He may be heir to the throne and call the Queen 'Granny', but Prince William isn't really so different from the rest of us.

Returning to work last week at East Anglian Air Ambulance following the birth of his daughter last month, the father-of-two revealed: 'It's my first day and I'm feeling the nerves. We're starting off on a wet Cambridge day, but I'm really looking forward to getting started.'

Wills' job as an air ambulance pilot sees him working nine-and-a-half hour shifts in a four-day-on, four-day-off shift pattern.

The prince might also have done a double take when he turned up at work last week and met his new colleague. Flying doctor Gemma Mullen, 33, who bears a striking resemblance to the Duchess of Cambridge, will be flying on rescue missions with the prince.

Gemma will take to the skies with Prince William

He's one of the Hollywood heartthrobs who can command a movie pay cheque that would make your eyes water. But according to US reports, 34-year-old Ryan Gosling, who's dating Eva Mendes, 41, is struggling with the level of attention he's found since becoming famous. So much so, he's now become a hermit, friends say.

Another source adds: 'Ryan is a loner and pretty awkward.'

DIRTY DANCING, 1987

RIP Patrick Swayze, aka Johnny Castle, the boy from the wrong side of the tracks who burst on to our screens and into our hearts in the film that really did give us the time of our lives... Patrick tragically died of pancreatic cancer in 2009, but his legend lives on – as does Dirty Dancing, arguably the most iconic chick-flick ever.

JENNIFER GREY

Baby Houseman

After being spun around the dancefloor (and the bedroom) as Baby, Jennifer appeared in an episode of Friends as

Rachel's former BFF Mindy. She won Dancing With The Stars in 2010 and even stood in for head Strictly judge Len Goodman twice in 2011. She was last seen in 2014 sci-fi film In Your Eyes. In 1989, Jennifer, now 55, had plastic surgery on her nose and many believed it ruined her career. She said in 2012: 'It was the nose job from hell. I'll always be this once-famous celebrity no one recognises because of a nose job.'

JANE BRUCKER

Lisa Houseman

Now 57, Jane's hilarious

Amazingly it's more than 30 years since The Goonies, The Breakfast Club and ET! This makes us feel very old, but also lovingly nostalgic. The faces of Corey Feldman, Jennifer Grey and Shannen Doherty defined the 80s. But while some stars went on to huge success, others weren't so lucky. Here, we look at what happened to the actors in our fave 80s films...

performance as Baby's big sister Lisa hit a nerve with siblings everywhere. But she only made a few more films, including Stealing Home and Bloodhounds Of Broadway. She became a screenwriter and said: 'I don't blame Dirty Dancing for my flat career. I think it gives the impression I'm a horrible singer, [but] I'm extremely grateful to have been in Dirty Dancing.'

CYNTHIA RHODES

Penny Johnson

Most famous for her dancing roles, Cynthia was in 1983's Flashdance and played John Travolta's love interest in Staying Alive. After Dirty Dancing she acted one last time in Curse Of The Crystal Eye. Now 58, she was married to singer-songwriter Richard Marx for 25 years and became a stay-at-home mum to their three sons. The pair split up last year.

COREY FELDMAN Mouth Child star Corey, now 43, appeared in 80s hits *Gremlins*, *The Lost Boys* and *Stand By Me*. After public battles with drugs and a stint

in rehab in the 1990s, he made headlines for his friendship with Michael Jackson. Jess Wright on dating, stifling relationships and baby plans

It's always a shock when an ex gets engaged, so it's no surprise TOWIE's Jess Wright refuses point blank to discuss former flame Ricky Rayment's recent engagement to his girlfriend of six months, Georgie Shore's Marnie Simpson. But Jess, 29, is hardly without admirers – she was seen kissing footballer Connor Wickham last month and had dates with TOWIE co-stars Dan Edgar Pete Wicks. Here, she discusses romance...

Jess, your new novel *Sparkling Stilettoes* is about a suffocating relationship. Is that something you've personally experienced?

I think everyone has at some point, so yeah, definitely. There are parts of the book that reflect my character and certain similar situations – but I think I'll leave people to guess what they are.

Was the character Dylan Dunkin-Buckshaw based on anyone?

[Laughs] No, but he does have traits of certain people I've met in my life or from TV shows. I don't mean TOWIE but in general.

'I'M LOOKING FOR A TRUE GENT'

You've been linked to TOWIE newbie Pete. He's not your usual type...

Yeah, he's quite different! Pete and I are just friends now. I kind of friend-zoned the whole thing. I didn't want to get into a relationship. He is really nice, though.

So what kind of man are you looking for?

I like someone who can make me laugh. The guy will be a true gentleman.

Your ex Ricky just got engaged. Will it last?

We are not discussing that.

But was it a shock?

We are not discussing it.

OK... You've said you're not leaving TOWIE yet, but would you ever quit?

Daniel suffers from dyspraxia

The actor, who turns 26 on 23 July, has a mild form of the neurological condition, which can affect movement and hand-eye coordination. In fact, Daniel still struggles to tie his shoelaces. He's joked: 'Why oh why has Velcro not taken off?' Never mind, Dan – at least you're still a pro at Quidditch!

He almost didn't make it as Harry

Thankfully, Daniel's parents had a change of heart but originally they weren't so keen on their son landing the role.

'When I was initially asked to audition for Harry, they both said no,' admits Daniel. 'At that time the deal was that we'd have to sign on for seven films and they'd all be made

in America and they just said: 'No, that would be too big a shift to his life – that's not going to happen.' Then the deal changed and Harry Potter was eventually filmed in the UK. Phew!

Sick note? Never!

Daniel only missed two days of work throughout the entire 10-year filming span of Harry Potter, when he was suffering from gastric flu. Not bad going at all.

Harry Potter wasn't his first acting gig

Before shooting to international stardom as Harry Potter, Daniel made his acting debut in the BBC's 1999 TV adaptation of David Copperfield. 'My mum sent in a Polaroid of me to the BBC because I've wanted to act since I was five,' revealed Daniel, just 10 at the time.

Addictive personality?

Daniel is rather partial to hot chocolate and Diet Coke (not together, of course!). In 2010 he became teetotal after his alcoholism spiralled out of control. Admitting he sometimes turned up to filming still drunk, Daniel recalls: 'It was bad. I don't want to go into details, but I drank a lot and it was daily – I mean, nightly.'

He loves hot chocolate

Acting wasn't Daniel's only dream

As a child growing up, Daniel also dreamed of being a professional cricket player for England. 'I'm a geek, I'm just obsessed with cricket,' he confesses.

He's a very private person

Despite being very much in the

Seems there's no magic formula to give up smoking!

I'VE WANTED TO ACT SINCE I WAS FIVE'

public eye thanks to the Harry Potter films, Daniel tries to keep his life private and even avoids reading articles about himself after an upsetting incident as a teenager.

'I never read anything about myself in the papers or on the internet, but when I was 14 I Googled myself and obviously there were a lot of people saying nice things, but you don't see them – you only see the people who are vile about you,' he admits. 'It's really, really strange – the assumption that they know me and that they have a right to talk about me that way. It's just so unbelievably arrogant.'

Smoking is Daniel's vice

Back in 2008, sources claimed that Daniel was nicknamed Harry Puffer on set, due to his 20-a-day cigarette habit. Daniel still hasn't given up smoking but admits to having cut down.

He's a poet – now you know it!

Daniel can add poetry to his CV as he's the author of several published poems, the first four of which came out when he was only 17. To remain private, Dan goes by the name of Jacob Gershon – a combination of his middle name Jacob, and his mother's maiden name Gresham. His poems are

about infidelity and affairs with prostitutes. Er...

Love has made him a big softie!

Daniel is a bit of a sweetie and revealed that his girlfriend Erin Darke, 30, is also his 'best friend'. The pair have been dating since 2012 after meeting on the set of Kill Your Darlings. Daniel revealed:

'If you can get to a point where you're dating or married to somebody you consider your best friend, that's what will make it work.' Aww!

Money is no object

Daniel won't have to worry about price tags for a while because he's worth just under £70 million. Oh, what we could do with that...

Daniel's been dating Erin Darke since 2012

VO5's lead stylist **Claire Rothstein** shows you the most stylish ways to work your hair in the heat

Tried and tested by the Now team

Sarah and Lydia. Posers!

BRAIDY BUNCH

Who knew keeping cool could look so chic? Plus it works on the beach and at the bar. Whoop!

1 First give your hair some grip with a texturising spray or dry shampoo. Using your natural parting as a guide, divide the hair into two rough sections.

2 French plait the first section, starting at the hairline. Keep the top loose so it looks effortless and keeps in the volume. Work your way back, pulling the majority of hair from the longer lengths, especially if you have mid-length locks.

3 Do the same with the second section and

secure both ends with small elastics.

4 Cross over the ends of each length and

find somewhere to tuck in. Secure with a hair grip.

5 With your palms, gently muss up your

do to give it texture and use your fingertips to loosen it. Finish with spray to hold the style and give definition to the flyaways.

ROCK 'N' ROLL
HAIR

TWISTED TOPKNOT

Take your go-to hair bun for a stylish new spin. Va va vroom vroom!

1 Start by tying a high ponytail right at the top of your head. The higher the better – if you do it too low, you won't be able to see the topknot. Using the palms of your hands, loosen the hair across the scalp to soften the look. If you have any sagging at the nape of the hair, tuck it up neatly and secure it with a hair grip. Draw out a thick strand from the ponytail and keep it separate while you work with the main bit.

2 You want to create a lot of texture for this style to be effective, so apply some texturising powder or dry shampoo to the lower half of your hair and at the ends. Divide the ponytail into two sections and lightly backcomb each one to create heaps of volume and height. By using two chunky sections to make your topknot, you'll create the illusion of more volume.

3 First wrap one section loosely

around the ponytail tie.

4 Do the same with the second section

and secure with a hair grip. If your hair's prone to flyaways, it'll add to the effortless feel.

5 Plait the loose strand and wrap it around the base of the bun. Pin it in place. Et voilà!

You & Improved Oh.My.Bod.

MIC's **Binky Felstead**, 25, shares her top-to-toe health secrets

'I don't look good in a dress'

HEIGHT: 5FT 7IN
SIZE: 8

What's your exercise regime?

I try to do high-intensity cardio as much as I can. I've got a personal trainer and basically try to train as much as I can whenever I'm not filming for Made In Chelsea.

How often do you work out?

The thing with filming is it's just so hectic. I can only really train in the mornings before I have breakfast for about 45 minutes to an hour.

Do you ever work out without your trainer?

No. I need to be shouted at. I need to be pushed or else I'll just be really lazy!

What's your fave body part?

I like my legs but I hate my hips. They're too wide – child-bearing hips, my mum says.

So, is it hard buying jeans?

Jeans are fine, it's dresses that are the problem. I hate them. I can't look good in a dress.

What's your guilty food pleasure?

Indian takeaway. I have it whenever I'm hungover – so pretty much every Sunday!

Binky's the face of Bio-Synergy's Active Woman range of sports supplements (bio-synergy.co.uk)

BINKY'S FOOD DIARY

Now's expert sports nutritionist **Ollie Frost** gives his verdict on her daily diet

Breakfast

If I'm working out I start the day with an Active Woman Activate protein shake. Post-workout, I'll have eggs.

OLLIE SAYS Skip the shake – eggs on a piece of rye bread will give you more energy to fuel your day.

160 cals

Lunch

A salmon or chicken salad.

OLLIE SAYS Chicken and salmon are high in protein, helping you to feel full – great if you're trying to reduce your body fat. Veg is high in antioxidants to protect your immune system.

440 cals

Dinner

Tuna, salmon or prawns with veg. I don't really eat carbs, especially in the evening.

OLLIE SAYS Prawns, like other fish and shellfish, contain omega-3, which provides the body with essential fatty acids that can help the fat-burning process.

577 cals

Snacks

Cashew nuts and natural yogurt with blueberries.

OLLIE SAYS Snacking on protein-rich foods, such as yogurt, is a great way to prevent overeating later on. Nuts contain high levels of polyunsaturated and monounsaturated fats, which can help reduce heart disease.

276 cals

TOTAL CALS 1,453 (GDA 2,000)

VERDICT Binky's diet is high in protein and contains a wide range of unprocessed food, which is really great. However, I'd use the protein shake as a supplement rather than in place of real food. To burn fat, your body needs fuel – when starved, your body will use muscle for energy before body fat.

MILLIE MACKINTOSH

on 26 July

IF IT'S YOUR BIRTHDAY THIS WEEK...

There was a time when you thought you couldn't alter things. You were in a rut. But the last year has shown that by being present in your life you can have pretty much what you want – and this year carries on with that theme. First gather supporters, then be clear how they can assist and finally accept their help. You'll do better within a team than going for the single-player option, Leo.

LEO 23 Jul-22 Aug

You're making something out of a situation that's fallen into your lap. Whether personal or professional, the way to make it happen is the same: remove your own resistance to change.

Call for more on second chances.
UK: 0905 8171565* IRL: 1560 787905*

SCORPIO 23 Oct-22 Nov

You may have been holding back unintentionally, but you've failed to push where more effort would've made a big difference. No more, Scorps – the way ahead is clear for plans to form.

Review your routines – just call me.
UK: 0905 8171568* IRL: 1560 787908*

AQUARIUS 21 Jan-19 Feb

A blue Moon is a Full Moon that appears twice in a month – you have one coming up. To prepare, think about who's challenged you twice, put two options to you or needs a second chance.

Time to take charge – call for more.
UK: 0905 8171571* IRL: 1560 787911*

TAURUS 21 Apr-21 May

Someone seems to be on a very long piece of elastic. They get so far, then they ping right back. Is that what you want? Time to talk – enough bouncing around without any real commitment.

Call for more on domestic dramas.
UK: 0905 8171562* IRL: 1560 787902*

VIRGO 23 Aug-22 Sep

You might be playing host to Venus, but she's out by the end of the month and goes into reverse. Make sure you're using as much of her 'look at me' energy as you can. Shine on.

Secure deals, get that date! Call me.
UK: 0905 8171566* IRL: 1560 787906*

SAGITTARIUS 23 Nov-21 Dec

It's never going to be easy delivering the news that you've changed your mind, but staying true to yourself is important. You're not texting and running – you're doing the decent thing.

New love is revealed. Call for more.
UK: 0905 8171569* IRL: 1560 787909*

PISCES 20 Feb-20 Mar

Why wouldn't you choose the easy option – a loan, a word in the right ear, a side step to avoid the crowds. Easy is good, right? What if it was also short term, with a bigger favour called in?

Eyes wide open, Pisces. Call for more.
UK: 0905 8171572* IRL: 1560 787912*

GEMINI 22 May-20 Jun

You're not going to say how you feel – you'll skip around it and wait for someone to get it, then they'll make the move. Really? Again? A Full Moon says courage is rewarded, Gemini.

Love chats rule – call to hear more.
UK: 0905 8171563* IRL: 1560 787903*

LIBRA 23 Sep-22 Oct

Call it intuition or a sixth sense, but unless you do something with it, it's no more than a hunch. Acting on those feelings is required – love in particular needs some clear answers.

Green light for career. Call for more.
UK: 0905 8171567* IRL: 1560 787907*

CAPRICORN 22 Dec-20 Jan

There's some idle chit-chat about and as it reaches the wrong ears you may have to answer questions that have no basis in fact. Why should you? If you don't, the gossips win.

Defending boundaries? Call me.
UK: 0905 8171570* IRL: 1560 787910*

ARIES 21 Mar-20 Apr

Uranus is moving into his annual retreat. Here's a chance to direct energy towards taking the surprise out of situations you know won't go down well if you don't share intentions now.

Call for more on a stalled romance.
UK: 0905 8171561* IRL: 1560 787901*

CANCER 21 Jun-22 Jul

The Sun's gone but Mars remains – an exchange that brings you energy to pursue a new career and boost the balance at the Bank of Cancer. So what's your work passion?

Luck brings romance. Call for more.
UK: 0905 8171564* IRL: 1560 787904*

Life On Marbs ITVBe, 9pm, 22 July

Say hello to a world of men in very tight shorts and very nice tans. ITV's brand new 12-part reality show follows the glam pack in Marbella. So watch out, TOWIE, this lot live in the Spanish city 24/7, so it looks like a case of no carbs ever for these millionaires and rich kids. Meet self-proclaimed 'Marbie Barbie' Natalie Richardson, who spends her life lunching and crashing her Ferrari. You can't miss Lina Hodgkins (or 'Mummy Marbella') who runs the Linekers club group with an iron first, and then there's Marbs newcomer Alex Weaver, who edits Marbella Rocks magazine – and falls in love with every guy she meets. Not too surprisingly, really...

LET'S HEAR IT FOR THE BOYS...

A quickie with...

JEDWARD

The X Factor twins, 24, on Tara Reid and their new film *Sharknado 3*

John: Sharknado is the biggest movie franchise of our time.

Edward: When the script came in, we were all in Tara Reid's house in LA laughing our heads off at the flying sharks.

J: The producers called the film Sharknado by putting two words together – like the name Jedward! We totally influenced that.

How often do you see Tara?

E: Every time we visit LA. We go

to Grammy parties, or we go out to lunch and have Mexican.

J: LA is Tara's town. She knows everywhere to go.

Are you scared of sharks?

E: No, because we have our scuba licences. They wanted to put Tara in an underwater cage in the film and she was like: 'No way!'

Would you do more reality TV?

E: Every single year there's a rumour that we're going to go on I'm A Celebrity, but it hasn't happened yet. I'd definitely let John eat all the bugs if we did.

Sharknado 3: Oh Hell No! is on Syfy at 10pm on 23 July

Whatever happened to....?

Gunther from Friends

He played a singing postie in 2007

In 2012 James rejoined Matt LeBlanc in Episodes

Ah, make ours a latte!

Yes, James Michael Tyler, now 53, played blond-haired Central Perk barista Gunther in Friends for the show's entire run. It was while he was working as an extra on the show in 1994 that James was offered the role, mainly because he was the only person on set able to use a coffee machine. 'That was a happy accident and I'm very, very grateful to have had that skill,' said James, who had to bleach his hair every week for 10 years!

What did he do next?

It wasn't the last we saw of

Gunther – in 2009 he headed to the UK to celebrate Friends' 15th anniversary by opening a replica Central Perk in London. For the show's 20th birthday, James attended the opening of a pop-up Central Perk in New York's SoHo.

Any other TV work?

James played himself in former Friends co-star Matt LeBlanc's comedy series Episodes in 2012. He's also appeared in Sabrina

The Teenage Witch and comedies Scrubs and Just Shoot Me!

So, um, he hasn't done much TV work then?

No, but he did also star in the video for Chicane's 2007 hit Come Tomorrow, playing a cheery postman.

So what does he do?

Nowadays, James is still a jobbing actor who lives in Hollywood and enjoys practising the keyboard and writing music. He's also a fitness fanatic and loves tennis, golf and jogging. Last year, James got divorced from his wife Barbara Chadsey, although the pair had already been separated for 10 years.

What happened to these other Friends favourites?

Tag

Eddie Cahill, 37, played Rachel's hot boyfriend Tag, who was also her PA. Since then, Eddie's starred in CSI: NY and played the lead in sci-fi series Under The Dome. The New York-born actor married Nikki Uberti in 2009 and the couple have a son Henry, five.

Janice

Maggie Wheeler played Chandler's girlfriend Janice – who could forget that laugh? Maggie, now 53, also appeared in The X Files, Will & Grace and How I Met Your Mother, as well as 1998 film The Parent Trap. She has two daughters, Juno and Gemma, with husband Daniel.
